

Dino

by Jaime Hayon

A new armchair by Jaime Hayon which will convert into a classic. As comfortable as possible within certain dimensions that adapt well to the body and space it's in, for both home and contract. It has sculptural forms and a lovely profile, similar to that of a dinosaur, from which the name comes.

Un nuevo sillón de Jaime Hayon que se convertirá en un clásico. Lo más confortable posible dentro de unas dimensiones contenidas para que se adapte bien al cuerpo y a todos los espacios, tanto para el hogar como el contract. Tiene formas escultóricas y un perfil muy bonito, similar al de un dinosaurio, de ahí viene su nombre.
