Technical features

Upholstery

The Hugg Modular Sofa is suitable for both home and contract environments. It is upholstered in a base raw cotton upholstery, with removable top covers available in different fabric options. For further information please see the Available materials and colours page in this document.

Construction

The wooden back frame is layered with cold cast HR foam 25/30 and polyester wadding, while the wooden seat frame is covered with zig-zag springs, felt, HR foam 35/40 and polyester wadding.

Wooden parts

The legs of the Hugg Sofa are crafted from solid oak, while the armrest side detail is made of formpressed veneer.

Finish

The wooden parts of the Hugg Sofa are available in natural or black lacquered options.

Cleaning

Please see [Product](#) or [Material](#) page on our website.

Notes to consider

Variations

Natural variations in wood color and surface may occur. Regular maintenance will ensure the wood preserves its authentic beauty and can last for generations.

Product changes

Please note that Gazzda reserves the right to alter construction and design without notice.

Dimensions (tolerances)

The dimensions shown are indicative, they may vary due to the natural properties of wood, season, or manufacturing processes. Deviations from the specified size may occur, usually no more than 1 cm.

For all additional inquiries regarding Hugg Modular Sofa units please feel free to [contact us](#).
