

Jamaica

by Pepe Cortés

The Jamaica Stool is already a classic in Spanish design and is one of the best designed stools in all history. It's been on the market for over 25 years and remains as current as its first day, both the aluminium version as well as the wooden, beech version. Now in a renewed version in black with an aluminium or stained wooden seat in two heights, 77 cm (bar) and 66 cm (kitchen).

El taburete Jamaica es ya un clásico del diseño español, y es uno de los mejores taburetes diseñados en la historia. Lleva más de 25 años en el mercado y sigue tan vigente como el primer día, tanto en su versión en aluminio como en madera de haya. Ahora en una nueva versión renovada en color negro con asiento de aluminio o madera teñida en dos alturas, 77 cm (barra) y 66 cm (cocina).

Finishes

Chromed steel structure of five legs; swivel seat in cast aluminium anodized silver and AG3 scotch polished, or in solid beech (wood) and varnished. Also available in a lower version with wheels. The 66cm and 77cm models are available in a black version: aluminium seat and steel base painted in Anodic Black and wooden seat stained black.

Acabados

Taburete con estructura de 5 patas realizada en acero cromado. Asiento giratorio en fundición AG3 pulido scotch y anodizado plata o mecanizado en haya maciza barnizada. Versión taburete bajo con ruedas. Para los modelos de altura h77 y h66 la estructura y el asiento de aluminio se pueden pintar en Anodic Black. El asiento de madera en haya va teñido en negro.
